NOTES: Camp Holiday Trails is happy to welcome over 600 volunteers annually to improve and maintain our facility, clear trails, clean, inventory, etc.

- **Our capacity is 30 volunteers at a time.**
- **Scheduled time can be from 1 to 3 hours.** Special projects may be scheduled for a longer period of time at the Camp's discretion.
- **Our work lists are seasonal,** we will match your group with our needs at the time.
- **Most of our work is outdoors, and inclement weather will cancel the scheduled work day.**

We are occasionally asked about trading service for rental time at Camp (for a meeting, retreat, campfire, etc.) When the dates work, we can offer a **50% discount** on the rental fee for volunteer time.
